Motivated Computer Science graduate with hands-on experience in WordPress development using tools like Elementor, WPBakery, and Yoast SEO. Skilled in building responsive, SEO-optimized websites and improving site speed by up to 40%. Proven ability to boost organic traffic and enhance user experience through creative design and strategic content integration.

KEY COMPETENCIES

FrontEnd: HTML , CSS , Bootstrap , Javascript

Programming Languages: Python

Tools & Libraries: Git, Github, Bootstrap, Wordpress, Hostinger, GoDaddy

Database: MySQL, MongoDB

PROFESSIONAL EXPERIENCE

Agaetis Technologies Pvt Ltd

Wordpress Developer Full Time

July 2025 - Present

I recently started working at Agaetis Technologies, where I'm currently focused on deepening my skills in custom WordPress development. My work involves creating and managing custom post types, integrating Advanced Custom Fields (ACF), and working with other essential plugins to build tailored website functionality. It's been a hands-on experience that's helping me grow my understanding of scalable and maintainable WordPress solutions.

BrownBook Studios Pvt Ltd

Website Developer Full Time

Dec 2024 - July 2025

Worked full-time for 9 months, gaining hands-on experience with WordPress, cPanel, GoDaddy servers, and admin-level access for website management and maintenance.

Iddie Thumpers

Wordpress Developer Freelance

Nov 2024 - Dec 2024

Built a custom website from scratch using the paid WordPress version, featuring a responsive layout, advanced plugins, and optimized performance for a user-friendly and professional experience.
